Hunters Ridge Landing Owners' Association, Inc. Pool Rules

The pool is one of the best assets in our community and out most dangerous liability. Since all homeowners own the pool, it is everyone's responsibility to abide by the below rules. An infraction of any rule will result in a fine or suspension of pool privileges. Here is a list of the rules that will help us all enjoy our wonderful pool.

1. **The use of the pool is limited to owners/renters and their guests.** Owners assume all responsibilities for the behavior of their renters and guests. Owners must use direction and common sense when they give their pool key to a guest.
2. **Everyone using the pool facility must have a pool key in their possession.** If no one in a group has a pool key, the group will be asked to leave the facility. They are trespassing and the board reserves the right to file charges with the police.
3. **Glass is not allowed in the pool area, pool deck or in the garbage receptacles.** The South Carolina Department of Health and Environmental Control (DHEC) has a regulation that bans any glass containers from inside a fenced-in pool. If glass breaks in this area, the pool must be closed, drained and cleaned. This could close the pool for an extended time, plus cost our community extra money for this work. You may bring cans of soda and water. **NO ALCOHOL and NO SMOKING in the pool area.**
4. **Children under 18 years of age MUST have an adult with them at all time while at the pool.**
5. **If an infant or toddler is using the pool, they must wear "swim diapers".** Regular diapers are not allowed to be worn in the pool.
6. **Running, diving and excessive noise is never allowed on the pool deck.** Please consider your neighbors comfort when you are adjusting the volume of your music.
7. **No pets are allowed in the pool or pool area.**
8. **Please use common sense when using inflatable rafts and floats in the pool.** If the pool is crowded, please do not use these items. Large hard rafts are not allowed in the pool.
9. **Proper swim attire is requested.** Cut-off jeans are not allowed as unraveling fringe can damage the filtration equipment.
10. **All owners, residents and guests are cautioned that they use the swimming pool, its equipment and facilities at their own risk.** The Hunters Ridge Landing Owners' Association does not assume any liability for personal injury and neither is responsible for the loss of personal property of owners, residents and/or guests.
11. **When you leave the pool area, please close your umbrella and clean up after yourself.** It is discourteous to expect someone else to close your umbrella or clean your table.
12. **The pool is open from 9:00 a.m. until 10:00 p.m.** Anyone in the pool before or after these hours is subject to arrest for trespassing.
